

Bahrain power distribution box explosion

Overview

The Public Prosecution has launched a comprehensive and ongoing investigation into an explosion in the Arad area that resulted in the complete collapse of a building, the death of two people, and injuries to six others. They are being treated for their injuries in a hospital, the Interior Ministry said in a statement on social media.

MANAMA, Feb 12: A two-story building housing shops and residential flats in Arad collapsed, resulting in one fatality and multiple injuries. The Civil Defence swiftly responded to the incident, deploying 38 personnel and seven fire engines to manage the rescue and recovery operation. Emergency. Two people, including a Bangladeshi migrant, have died after a gas cylinder explosion caused a multi-storey building to collapse in Bahrain. Shaikh Hamad bin Mohammed Al Khalifa, Deputy Chief of.
