

# Cold joints single pack

## Overview

This compact ice pack delivers a soothing layer of cooling comfort that's helpful for everyday bumps, minor injuries, swelling, or sore muscles. Quick and easy to activate with a simple squeeze, this cold pack requires no refrigeration and can be applied right away for convenient. Check each product page for other buying options. Price and other details may vary based on product size and color. The plush fabric is soft to the touch. **INSTANT RELIEF ON THE GO** - When injuries strike, these instant ice packs spring into action as a cold compress with a simple squeeze. No freezer needed! Keep one in your sports bag or first aid kit for cooling therapy wherever life takes you. It forms part of RICE treatment - Rest, Ice, Compression, and Elevation - recommended by the NHS.
