

Does the village have fiber optic cable now

Overview

Enter your postcode to check availability at your address. You can choose and order a. LAST UPDATED 25th August 2025 – BT (Openreach) has unveiled a new BT Full Fibre coverage map (an Openreach fibre checker) that schedules when BT's new gigabit capable fibre to the premise service will be coming to areas across the UK in 2025 and beyond. Readers can track when ultrafast BT Full. There's even a fibre optic node installed on the telegraph pole at the entrance to my drive, with a fresh cable running underground. Most homes across the UK have access to fibre broadband now, but whether you can get full fibre or not is a different matter. Full fibre broadband is also sometimes referred to as 'FTTP'. Deals offer gigabit speeds and unlimited broadband data.
