

Fiber optic cable warranty period 15 years

Overview

This warranty extends to the original purchaser from 15 years from the date of purchase, provided the purchaser has invoice documentation or proof of purchase. The Certification Plus System Warranty is a 15, 20 or 25-year standards-based, performance warranty covering Panduit-branded copper and fiber connectivity hardware, and Panduit-branded cable or approved manufacturer's cable, used in structured cabling systems that meet program requirements. In. Fiber Optic Cable Certification and Warranty Requirements a. The fiber optic cabling system installed by the wiring contractor must carry at a minimum, a 15-year component manufacturer 's performance warranty. Extended Performance 25 Year Channel / Link Limited Warranty certifies that. The Relevance Inspector will open in the Coveo Administration Console.
