

Finnish pigtail channel manufacturer

Overview

Fintall Oy has been operating since 1989 and Fintall Estonia OÜ (formerly OÜ Telcontar) since 1997. We manufacture and supply wiring harnesses, connection cables and electromechanical assemblies in small and medium batches. We serve leading companies from various industries, from health and wellness equipment manufacturers to the automotive industry and building systems. Since 1973, Polarputki Oy has provided the Finnish mechanical engineering, shipbuilding, power plant and steel sectors with products and services supplementing Finnish steel production. Our clients include manufacturing companies, component suppliers, industrial subcontractors, and installation. Maillefer is a global leader in wire and cable production technologies, offering over 50 advanced solutions that can enhance your business and keep you competitive in the industry. We always tailor our service packages to fit the customer's needs. Our product program also includes cold-drawn precision steel tubes.
