

Gulf Region Connector Box 4-core

Overview

Specification: Item Type: Fiber Optic Terminal Box Mount Type: Desktop Type, Wall-Mounted Type Thickness of Iron Plate: 0.8mm Box Weight: Approx 442g Box Size: 20x11x3.34in Operating Temperature: -40~85°C Optical Fiber Wiring Components Standard: TIA-568C.3-2008. WAGO's TOPJOB® S Installation Rail-Mount Terminal Blocks with Push-in CAGE CLAMP® reliability have a large range of cross-sections, offering the right terminal block for all building applications. As the demands on buildings constantly increase and change, TOPJOB® S enables future-proof. © 2022 Gulf Heaters Tr. EMRTS GROUPLogicom launched its operations in the Gulf in October 2001 to distribute technology products and services across the Gulf region, Pakistan, and Afghanistan. With a commitment to helping partners and vendors achieve their goals, Logicom offers fast and effective customer service, flexible and. Fiber Distribution Box 4 Cores IP-55 SC Connector PLC Splitter (FDB), known as optical Distribution box (ODB) as well, is a compact fiber management product of small size. It is widely adopted in FTTx cabling for both fiber cabling, provides the connection between fiber optic cables and passive. *Total enclosed structure, be in nice shape; *Material: PC+ABS, wet-proof, water-proof, dust-proof, anti-aging, protection level up to IP65; *Clamping for feeder cable and drop cable, fiber splicing, fixation, storage, distribution.
