

High-density modular data center in the Maldives

Overview

A new containerized data center has been launched in Hulhumale in the Maldives. The Housing Development Corporation (HDC) has inaugurated the new facility, which will be operated under its SmartCom brand. Save the trouble of contacting the providers yourself, check out our Quote Service. Do you need. In this strategic landscape, Dhiraagu has today placed a key piece: the inauguration of its third data center, located on N. Velidhoo Island and classified as Tier III Ready. The ceremony, led by the company's CEO and Managing Director, Ismail Rasheed, and the president of the Velidhoo Island. The Maldives, known for its breathtaking islands and vibrant tourism industry, is rapidly embracing technological advancements, including the development of state-of-the-art data centers. DC Deployed specializes in Data Center Construction Management, a critical service that ensures the seamless. Dhiraagu Hulhumale' Data Centre is the Maldives' first and only Tier IV certified data centre, setting the gold standard for reliability, security, and efficiency.
