

High-voltage electrical dry distribution box

Overview

HV power distribution units (HV PDU) are ideal for a wide range of applications in electric mobility. HV Junction Boxes and Electrical Enclosures manufactured by Abtech are engineered for the safe distribution, cable termination and protection of high voltage. Discover our HV PDU solutions – the powerful high-voltage power distribution units from 60 VDC to 1000 VDC for mobile machines and commercial vehicles. Abtech HVJB high voltage hazardous area electrical enclosures and junction boxes provide safe power distribution for 11kV systems up to 1000sqmm cables offering flexibility over the choice of cables, entries and cable terminations – ATEX certified for Zone 1 and Zone 2 connection of HV cables in. Shenheng Electric Power Equipment Co. is located in the famous "China electric Appliance capital" Yueqing City, Zhejiang Province, south of the East China Sea and Oujiang River, north of the "world beauty" national scenic spot Yandang Mountain. It is one of the professional manufacturers of.
