

How much does cable tray cost on a construction site in Peru

Overview

TL;DR: Basic wireway systems cost \$8-15 per linear foot, while heavy-duty cable tray installations range from \$12-25 per foot including materials and basic installation. Cable trays are vital in electrical installations, providing secure pathways for power, communication, and control cables across residential, commercial, and industrial settings. Please click [this](#) for the ELECTRICAL MATERIAL PRICE LIST for link if you need the cost of materials for wires/cables, conduit, cable trays and accessories. The electrical installation manhours below include hauling from storage, layouting and installation of wire/cables at a height of 3 meters. When you embark on a new construction, you would like to know the prices of things. But the actual price is the cash outlay to the workers to assemble the parts.
