

Intelligent Building Communication Corrugated Conduit IP65

Overview

CLH corrugated flexible conduit for the protection of electrical cables in building and tertiary applications. Made of plastic material (PP), halogen-free according to EN 50642 / EN IEC 63355 standard, with an IP65 protection rating, 320 N compression strength and 2 J impact resistance. Available. IP65 Conduit Fittings & Accessories are available at Mouser Electronics. The buyer's goal was simple: a reliable, install-fast outdoor electrical enclosure that protects electronics in harsh conditions, supports scalable mounting, and still allows customization without slowing the rollout. Together as brands, ABB Kopex enables those operating in utilities, transport and infrastructure to impress and employs about 140,000 people around the world. The two-digit code shows the protection against particles (the first digit) and. Adaptaflex offers a wide range of metallic flexible conduits & fittings. Inherent Low Fire Hazard (ILFH) system. IP40 rated IP65 rated with appropriate fitting.
