

Norway Smart Distribution Cabinet Production

Overview

The companies Weidmüller, Komax, Zuken, Armbruster Engineering and nVent Hoffman / Steinhauer have launched the Smart panel building initiative in order to enable panel building to tap this potential with tailored, consistent solutions. With over 30 years of experience working with leading cabinet builders, Hatteland Technology offers extensive product knowledge, a comprehensive range of quality products and solutions, and a dedicated customer support center. Hatteland Technology is a Nordic manufacturer and supplier of industrial. ABB's Kabeldon cable distribution cabinets are a familiar sight in neighborhoods and by roadsides across Northern Europe, providing rugged all-weather protection for utility Low Voltage distribution systems. Our vision is to create one of Europe's most dynamic research alliances that brings together industry and research partners for the development of flexible and intelligent electrical energy systems.
