

OPGW-24-B1 optical cable price

Overview

A 24-core OPGW cable is estimated to cost around RMB 15,000 per kilometer. A 72-core OPGW cable might reach up to RMB 30,000 per kilometer or more, depending on. OPGW is mainly applied in communication line of newly constructed high voltage transmit electricity system with 35 KV or above, or replacement of existing ground wire of previous overhead high voltage transmit electricity system, adding of communication lines and conduction of short-circuit current. AFL AlumaCore OPGW (Optical Ground Wire) is preferred for its central aluminum pipe and color-coded fiber optic buffer tubes which simplify the splicing process while providing optimum fiber protection as well as long term product reliability. Optical Ground Wire (OPGW) is a dual functioning cable. The optical fiber unit is put into the overhead ground wire, and the optical cable and the ground wire are organically combined. On. Fiber Type: G652D; G655C; 657A1; 50/125; 62. 5/125; OM3; OM4 As Options□ Core Types: opgw 12 24 36 48 70 96 144 fiber□ Cable Opgw 24 Fibras Single Mode□OPGW Multimode Fiber Optical Cable; Send E-mail for Price List Uni-fiber cable provides optical fiber cables for power systems, opgw optical cables. High-strength OPGW cable with 24 single mode fibers for power line grounding & data transmission.
