

Optical splitter chip company

Overview

With lasers chip, photodetectors, optical engines and transceivers, WaveSplitter provides end-to-end capabilities spanning optical chip design, packaging, and module development, serving the evolving needs of artificial intelligence, high-performance computing (HPC), data. With lasers chip, photodetectors, optical engines and transceivers, WaveSplitter provides end-to-end capabilities spanning optical chip design, packaging, and module development, serving the evolving needs of artificial intelligence, high-performance computing (HPC), data. WaveSplitter Technologies, Inc. is a leading provider of high-performance optical solutions. We are happy to develop new, customer-specific designs. The number of inputs can be varied here. WEINERT Products. Corning's QuickPath™ PLC optical splitters reduce insertion loss and deliver high performance. T&S Communications specializes in optical network. Wuhan Rongyu Optical Communication Technology Co. The company is committed to providing customers with reliable, consistent and quality Optical Transceivers, Passive Optical Components, MPO/MTP Data Center Solutions and Active Optical. GLSUN Optical Splitter is widely used in PON, FTTH, LAN, FTTH, CATV at 1310nm/1550nm 250UM Input/Output, 1. 5M Fiber Length and features: Low PDL and insertion Loss, Compact design, Excellent uniformity and High reliability.

Optical splitters | WEINERT Industries AG

Fiber optical splitters for multimode applications WEINERT Fiber Optics utilizes a photolithographic chip technology to develop and produce planar lightwave

May 16, 2026

Global PLC Splitter Chips Market Insights, Forecast to 2029

PLC Splitter Chip is based on lithography technology to divide the optical power from one or two input port (s) into multiple output ports by Planar Lightwave Circuit technology. It's used for FTTH, FTTB,

Feb 16, 2026

Fiber Splitter

As a professional fiber splitter manufacturer, we specialize in design and production, as well as providing fiber splitter to our customers.

Apr 08, 2026

Welcome to PPI Inc.

PPI Inc. is a leading company in the optical electronics industry that is gaining global attention for its splitter, which is key component for FTTH and AWG based on PLC technologies.

Mar 28, 2026

Comprehensive Introduction of Fiber Optic Splitter

Fiber optic splitter is significant in helping users maximize the performance of optical network circuits. This article will help you to gain more

Sep 21, 2025

PLC Splitter Chip Market Size , Share, Revenue & Forecast

PLC Splitter chip technology, which is mostly used by FTTH, necessitates a huge quantity of inexpensive PLC splitters and other optical components. Since product devices are a crucial

Aug 28, 2025

Top 100 Optical Splitter Manufacturers in 2026 | ensun

Discover all relevant Optical Splitter Manufacturers worldwide, including PPC Broadband and T& S Communications

Feb 02, 2026

Global PLC Splitter Chips Market 2024 by Manufacturers, Regions,

PLC Splitter Chips market is split by Type and by Application. For the period 2019-2030, the growth among segments provides accurate calculations and forecasts for consumption value by Type, and

Jun 11, 2026

Fiber Optic Splitter: How It Works & Types Guide

This guide demystifies fiber optic splitters, explaining their design, operating principles, types, key specifications, and real-world applications.

May 19, 2026

Optical Splitters-DFB Chip, APD Chip, Optical Switch, Optical Isolator

Widely production portfolio including DFB LD chips, TO-CAN, high data rate passive optical devices and modules, function modules, optical transmission equipment, optical line protection and cable

Sep 16, 2025

China PLC Splitter Chips Manufacturers and Suppliers

Shenzhen Optico Communication Co., Ltd. is one of the leading plc splitter chips manufacturers and suppliers in China, featured by quality products and good

Feb 14, 2026

manufacturer of fiber optical splitter

We provide a full range of FTTH products, including fiber optic joint closures, fiber optic splitters, and patch cords, designed to meet various network architecture requirements.

Jul 06, 2025

Top 10 AI Optical Chips Companies to Watch in 2025

Top 10 AI Optical Chips Companies to Watch in 2025 and Beyond Explore the evolving AI Optical Chips market as we profile ten industry top players shaping

Mar 13, 2026

What is Fiber Optic Splitter and Types

What is a Fiber Optic Splitter? Fiber optic splitter is a passive optical device used to distribute optical signals, which can divide input optical signals into

Jul 13, 2025

18 Fiber Optic Splitter Manufacturers in 2026

18 Fiber Optic Splitter Manufacturers in 2026 This section provides an overview for fiber optic splitters as well as their applications and principles. Also, please take a look at the list of 18 fiber optic splitter

Oct 13, 2025

Plc Splitter Chips Market Report | Global Forecast From 2025 To 2033

The company provides a wide range of optical fiber products and solutions, including high-quality PLC splitter chips. Sumitomo Electric's emphasis on innovation and technological advancements has

Dec 24, 2025

Optical Splitter Market Research Report 2034

By product type, the optical splitter market is segmented into Fused Biconic Tapered (FBT) Splitters and Planar Lightwave Circuit (PLC) Splitters. Planar Lightwave Circuit Splitters commanded the dominant

Feb 01, 2026

PM Fiber Optic Plc Splitter | MEISU

PM fiber PLC Splitter is fabricated using silica optical waveguide technology. It usually includes planar lightwave circuit chip, single channel polarization

Jan 27, 2026

Global PLC Optical Splitter Market 2025

The PLC Optical Splitter is a critical component in optical networks, providing efficient signal distribution through its planar lightwave circuit (PLC) technology. It is widely used in telecommunications and

May 29, 2026

WaveSplitter Technologies

WaveSplitter Technologies, Inc. is a leading provider of high-performance optical solutions. With lasers chip, photodetectors, optical engines and transceivers,

May 21, 2026

China PLC Splitter Manufacturers and Suppliers

Wholesale customized plc splitter on fiberopticom . We're well-known as one of leading plc splitter manufacturers and suppliers in China. Be free to contact our

Sep 19, 2025

Beam Splitter Manufacturers

A Beam Splitter is an optical device that splits a beam of light into two or more beams. The leading manufacturers of Beam Splitters are listed below. Narrow down on the list of companies based on

May 19, 2026

Global PLC Splitter Chips Market 2023 by Manufacturers, Regions,

This report profiles key players in the global PLC Splitter Chips market based on the following parameters - company overview, production, value, price, gross margin, product portfolio,

Jul 14, 2025

PASSIVE OPTICAL SPLITTER

Among the many miniature parts that make up a passive optical PLC splitter, there are three main components: the input and output fiber arrays, and the chip. The design and assembly of these three

Mar 25, 2026

About Us

The company offers industry-standard transceiver and interconnect solutions, including SFP, QSFP, QSFP-DD, OSFP, and ELSFP, enabling customers to

Feb 25, 2026

Top 100 Fiber Optic Splitter Suppliers in 2026 | ensun

T& S Communications specializes in manufacturing high-quality fiber optic splitters, including PLC splitters and FBT couplers, which enhance the flexibility and scalability of optical transport systems.

Jul 04, 2025

What Is PLC Splitter and How Does it Works?

PLC Splitter Manufacturing Technology PLC splitter is based on Semiconductor technology. As its name shows, PLC splitters are manufactured

Mar 31, 2026

mongolian-optical-splitter-manufacturer | B2B companies and
