

# Papua New Guinea High and Low Voltage Complete Equipment Processing

## Overview

We provide innovative technical solutions for clients within the power industry, mining, Oil & Gas and manufacturing industries. We do EPC contracts, provide system audits, carry out plant upgrading & uprating and also provide on-going operational & maintenance support services. Leading Papua New Guinea's engineering excellence through innovative training, professional development, and cutting-edge electrical safety solutions. We specialize in transmission, distribution, and low. Established in 1978 Niugini Electrical has been operating as an independent electrical contractor, consultant, motor rewinder, generator rewinder and electrical wholesaler. Call Us Now! (+675) 472 4787 / 7999 2600 We perform, specialized, design, install, and maintain electrical systems in PNG. LidsTech - LiDS Technology Company is a Smart technology company based in Port Moresby, Papua New Guinea.
