

Power Cord Bridge

Overview

A cable raceway or cable bridge is an enclosed conduit that forms a physical pathway for electrical wiring. Perlegear in-Wall Cable Management Kit, TV Cord Hider for Wall Mounted TV and Speakers, Power and Low Voltage Wire Management. They protect cables from mechanical damage and minimize tripping hazards, which is particularly beneficial in offices, workshops, on construction sites and at events. All have a textured surface to improve traction. 1-channel hose - cable bridge: with an extra large duct of 70 x 50 mm, this bridge made of vulcanised hard rubber offers enough space. ELSPRO cable bridge and hose bridge systems bring order and safety to temporary cable and hose guides, optimally protect cable and hose transitions from external damage and prevent accidents.
