

Price of network cable conduit for distribution boxes

Overview

Professional network cabling in 2026 typically costs \$150-\$250 per commercial Cat6 drop, \$200-\$350+ per harder Cat6A commercial drop, and \$200-\$400 for isolated finished-wall additions where minimum service-call labor dominates. Open-wall pre-wire lowers the per-drop cost. Find a huge range of Conduit Bodies / Boxes at Farnell® UK. We stock a large selection of Conduit Bodies / Boxes, including new and most popular products from the world's top manufacturers including: PRO Power, Panduit, Crouse-hinds, TUK & ABB - Thomas & Betts CJB20/2W. Cable Management Warehouse are one of the leading distributors for cable management, containment, networking and security products in the UK. Choose from 20mm PVC conduit, 25mm PVC conduit, black PVC conduit, red conduit, and round conduit options to suit any installation.
