

Swedish local fiber optic cable company

Overview

Stokab is owned by the City of Stockholm, and is an independent provider of passive infrastructure in the form of optical fibres, with no active termination equipment, known as dark fibre. Equitix is pleased to announce the continued expansion of its Nordic fibre optic platform, Local Connect, through a series of strategic acquisitions in Sweden, reinforcing Equitix's commitment to enhancing connectivity. Founded by Equitix in 2022 through the acquisition of Falköping's fibre. Nexans is a prominent cable manufacturer in Sweden that specializes in high-quality fiber optic cables designed for data and telecommunications as well as industrial applications. Explore this list as a starting point and connect with us to see how Inven can help you build tailored lists for sourcing and market discovery. Fiber optic cables are used to transmit "light" data.
