

# Waterproof electrical distribution box bracket

## Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. IP67 GRADE - IP67 waterproof grade, which means dust-tight and protected from moisture challenges up to jetting water, keep all your electrical equipment Safe & Dry. It is widely used for both. Pole-mounted enclosure solutions from Polycase are waterproof, weatherproof, and corrosion-resistant. Built from durable ABS plastic with a clear lid, this IP65-rated breaker box safeguards against dust, water, and impact damage. This guide primarily analyzes structural engineering characteristics, technical specifications, and actual installation procedures to achieve optimal field performance.
