

Where is the EU cable tray manufacturer located

Overview

Overview: Italy-based Spina Group specializes in standard and custom cable tray systems, meeting the diverse needs of industries across Europe. Established over a century ago, Niedax has grown its product range to over 50,000 items, including cable trays, ladders, and support systems. Our focus is on providing you with economically optimal solutions. Heavy-duty ducts of classes SLW 60 (old) and LM1 and LM2 (new) are specially designed for areas. Belden is a global manufacturer that offers a comprehensive range of products, including cable management solutions, which likely encompasses cable trays. Our company (founded in 2012) has quickly become an established player in the cable. We offer our deep knowledge and experience as manufacturers of cable trays to provide technical advice at any phase during the project.
