

Zhengding High and Low Voltage Complete Sets of Equipment

Overview

Hebei Zhengding high-tech industrial Development Zone North District, No. is a high-tech enterprise specializing in the research and development, production, sales and service of complete sets of high and low voltage switch equipment and automation. Hebei Tongdian Electric Equipment Technology Co., founded in March 2019, located in the historical and cultural city of Zhengding Area Of China (HEBEI) Pilot Free Trade Zone. is a high-tech. Welcome to Tongdian – your one-stop High & Low Voltage Solutions for advanced electrical distribution, control, and management systems. Founded in 2019 within China's Hebei Pilot Free Trade Zone, our Zhengding-based facility leverages automated production. When exploring About Hebei Tongdian, international partners discover a premier high-tech manufacturer specializing in power quality optimization and energy efficiency solutions.
